Dianne:

As you are already aware, Deborah Mitchell with Dynasty is the Bomb! She is working extremely hard on behalf of me and Michael. She is all about business and that means a lot to me. Thus far I am in no way, shape, form or fashion disappointed. I have spoke to her almost daily since we hired her, she is very thorough & detail oriented. She keeps me calm and does a very good job with helping me maintain a positive mind set about the whole process. She most definitely runs circles around NACA. Even though, we don't know the final outcome just yet, I have faith and I believe that the final outcome will be VICTORIOUS. I just wanted to take this time TODAY to tell you, "thank you for caring enough about me and my family and for introducing me to Deborah to help save our investment!" I feel so blessed and I am very grateful.
